EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Richard Besha on January 6, 2004.

The application has been amended as follows:

In claim 28, please delete "1" and insert therein -21—.

Reasons for Allowance

2. The Response filed October 24, 2003 has been fully considered and has been found persuasive. Specifically, applicant's arguments and evidentiary declarations of Shail and Duff assert that the cited prior art of Roth (US 4,563,378) does not teach the presently claimed non-tufted sections forming a discrete wear surface portion of the floor covering. Additionally, there is not proper motivation to modify Roth so as to produce said non-tufted sections since Roth teaches a continuous tufted surface. Therefore, the prior art rejections set forth in the last Office Action, sections 4-13, are hereby withdrawn. An updated search has produced no new art of record. Hence, claims 1-38 are allowed.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

backing. Foster fails to teach or suggest the presently claimed non-tufted portions of the wear surface.

b. US 6,627,290 B2 issued to Wittlinger et al. teaches a floor covering having backstitches as a wear surface. Figures 5-7 show a wear surface having tufted and non-tufted portions. However, the effective file date of Wittlinger is December 31, 2001, which is later than the present effective file date of May 2, 2001. Hence, Wittlinger is not available as a prior art reference.

4. Claims 1-38 are allowed.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
